

April 3, 2020

Dear Parents,

Congratulations! We have completed our first week of eLearning! There may have been bumps in the road as we've gotten started, but we are so proud of how far we have come in such a short amount of time.

A few announcements:

1. Report cards can be seen on PowerSchool, beginning today. Whatever grades are posted for the 3rd Quarter is the final grade for the quarter. We will print paper report cards at the end of the school year.
2. Make sure your child is logging in to Google Classroom each day and following the attendance procedure for Teacher/Grade level. If it is not an option, email the Homeroom teacher for guidance.
3. Surveys will be coming out from the teachers. Please complete the survey so we can get an idea of how eLearning is going for you and your family.

Please remember my message from last Friday. These are challenging times. Your main job as parents is to help your child feel safe, secure and loved. Do your best to support your child with assignments, meetings, and deadlines. However, don't stress if it can't happen that day. The teachers are here to support you and provide as many educational opportunities as is meaningful for your child and family.

We have attached Holy Week Resources for families to use as a guide to celebrating Holy Week and Easter.

We are praying for you and your family!

Blessings,

Tommy Bridges
Principal
