

HAWK Headlines 11.15.24

Thank you to the learners and families who have made regular attendance at school a priority to start the year! We've had 259 of our 442 learners (59%) regularly in attendance with three or fewer absences for the first trimester. We understand that illness happens and we appreciate many of our families committing, this year, to scheduling doctors appointments and vacations outside of school hours and days. We look forward to trimester two numbers improving with your continued partnership!
