DOCTRINA PERPETUA

A Great Week for Patriot Students & Parents!

Welcome to our first edition of *Moultrie Messenger*, correspondence designed to equip you as parents with needed resources to support our children and work at Moultrie Middle School (MMS).

Thank you for encouraging your students as we transitioned

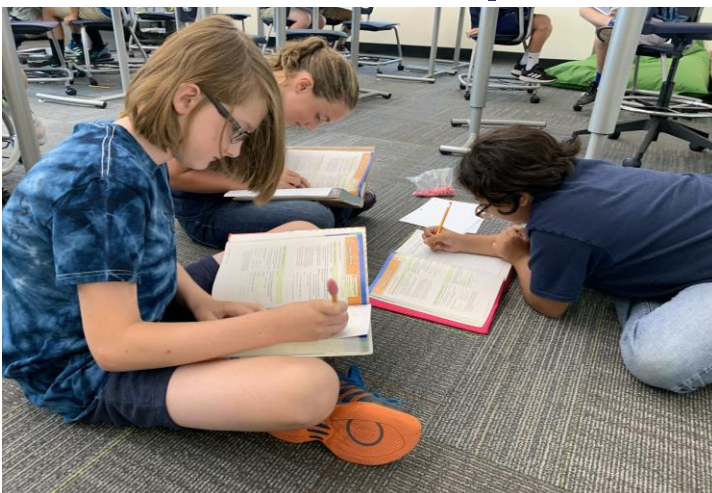

back to school following Hurricane Dorian. We particularly appreciated your attendance at Wednesday and Thursday nights' Open Houses and hope you found your time both enjoyable and beneficial. If you need additional time to talk to your child's teachers, you are welcome to email his/her counselor to schedule a

conference.

If you have an 8th grader, please be reminded PSAT registration ends Wednesday. Please contact Ms. Cipolla with questions.

Be sure to review the remainder of this week's *Messenger* for important updates. Enjoy your weekend!

Smiles, Anita W. Huggins

From Nurse Wilson...

If you haven't already done so, please complete both sides of yellow emergency cards and return them to Nurse Wilson's office by Wednesday, September 25. Unfortunately, no student without an emergency card will be permitted to attend any off campus activities or field trips. Please be reminded to initial by the "over the counter medications" on the backside of the card if you would like your child to be able to receive any of those listed at school, as needed. Please sign both sides.

All immunization records are due no later than October 1. After this date, delinquent students will not be allowed to attend school until the record is submitted.

MMS needs members for its Mock Trial Team! Students should see Ms. Leopper for more information.
