Principal's Message

We are one week into our school year and our students are doing a tremendous job!

Thank you for entrusting your wonderful children with us each day. We take this awesome responsibility very seriously and will do whatever it takes to help each child find success in the classroom and our school community. It is our positive partnership that will be the driving factor to continue the great work that we've started this year.

I'd love to hear from you! Please reach out to me personally and let me know how we can better support you and your child.

Thank you for all that you do.

Sincerely,

Latonya Simmons
