Welcome Back Hawks!

Hello Hutton Families,

I am very honored to be the principal of Hutton Elementary and hope to continue serving the Hutton community for many years. I wholeheartedly believe in our school community. It takes a village to do this work, and our team is very committed to ensuring that your child has an amazing experience here at Hutton. I believe in empowering others to reach their highest potential, and that everyone adds value and plays an intricate role in the success of our students. It is the collective, collaborative effort between teachers, students, parents, support staff and administrators that will create an environment where students thrive in every way possible. I believe in service to my community and that a school should be a place where all students and families feel included, safe, supported and nurtured.

The staff here at Hutton are very excited to get to know you and your child better, and we look forward to all we will accomplish together this year. We believe that the best education comes from a close partnership between families and the school community, so we encourage you to get actively involved at Hutton and the Hutton PTG <https://www.spokaneschools.org/domain/1294>.

Finally, if I could shout it from the rooftops I would –**“It’s going to be a GREAT YEAR!”** Your students will thrive this year because of their effort, all of our wonderful staff that will be supporting them and you. I look forward to greeting our students on the first day and meeting all of you. Please reach out to me if you have any questions. I’m here and happy to be of support to you. We are looking forward to a great year of in person learning!

Sincerely,

Principal Simmons
