Principal's Message:

Dear Hutton Families,

Thank you so much for everything you've done to help get your student off to a strong start last week. Thank you for your patience as we've worked through technology challenges. We appreciate your efforts to ensure that your child is engaged in Real-Time Learning each day. Our teachers and our tech staff are working hard to support our students and families. Mrs. Searcy and I have enjoyed seeing students engage in different learning tasks such as classroom community building, learning about courage through Purposeful People, our social emotional curriculum, math lessons, science and much, much more!

As you may have heard, at the guidance of our health officials, SPS will begin the process of phasing in our K students on Wednesday, October 7th. There will a webinar for parents with more information and details on September 29th, from 6:30-7:30 PM. I highly encourage you to attend. Some grade levels will be providing learning materials for students as a support to their online learning engagement. Our first pick up day is next Wednesday, September 30th from 9:00 AM – 3:00 PM. Please check Hutton Peach Jar Flyers for more information.

Thank you for all that you do to support our school community!

A Heart for Hutton,

LaTonya Simmons
