The Society of St. Stephen's is a non-profit organization that provides food to the needy families in Kingwood, Porter, New Caney and Splendora. They are totally dependent on the Kingwood community for contributions. In years past, local schools have generously supported this effort. The Food Drive begins **November 12 - November 19**. You may bring non-perishable food donations to your classroom such as canned goods (fruits, vegetables, soups) as well as peanut butter, jelly and macaroni & cheese. Please no Ramen Noodles.

Grade levels will be competing with each other for the most number of items brought. Thank you for your support and generosity as we show our students what it means to care and to share.
