

HAWK Headlines 2.13.25

Trimester 2 is almost over! Learners are doing a great job striving towards high expectations. Please keep encouraging your learner to strive for their best AND be the best version of themselves. Together we rise!

Headlines:

One Book One School: We are truly enjoying our book, *A Boy Called Bat*, and hope your family is as well. We will celebrate our One Book One School event as a community on March 5th with Literacy Night. I hope to see you there!

Is your learner registered for the 2025-2026 school year? The grade level that has the most learners registered will earn an extra 30 minute recess or a school appropriate movie.

Please see this message from Dr. Mary Henderson:

This is a reminder that returning families need to complete the 2025-26 registration for each of your learners. It is critical that we have accurate information in order to determine staffing numbers for next year. We want to keep our current staff and certainly don't want to lose staff only to have to hire new due to late registrations.

Do you have new neighbors or families with incoming kindergarteners? Encourage them to visit the district website for information on registering new learners.

Dental Screenings: The DuPage County Health department will be offering dental screenings on February 28th. Please see the flyer ([English](#)) ([Spanish](#)) for instructions on how to make an appointment.
