THIS WEEK'S HEADLINES

BOOSTERTHON *Pep Rally* & KICK-OFF

BOOSTERTHON IS FINALLY HERE!! This is one of our favorite events of the year. Yes, it is a fundraiser, but we love everything about Boosterton. The character lessons (honesty, gratitude, generosity, kindness, and humility), energy, student participation, and excitement help to create such a positive atmosphere and bring all 700+ students together as one team. Speaking of teams, this year, although we are all ONE team, we are going to create a little friendly competition among students. There will be two teams...Team Blue and Team Orange.

TEAM BLUE

Hedrick

Grades K, 3, & 5

TEAM ORANGE

Winn

Grades 1, 2, & 4

More information about this competition will be announced on Wednesday, during the Pep Rally. Also, on Wednesday afternoon, your child will be bringing home information on how to set up a personalized account for your child and how to begin collecting pledges. This is the easiest fundraiser in that all collections are completed online, unless someone is interested in making a donation rather than going through the website. Our goal this year is to raise \$20,000 so we can move forward with our walking track. The walking track will be available for use by students, parents, and the community. Click [HERE](#) for information regarding Boosterton. You are also invited to join us on the day of the Fun Run to cheer the students on.
