Greens Prairie Elementary Parent Monthly News & Updates

May 2026

Principal's Perspective

Kindergarten Games With Grown-ups and Field Day are clear signs that May will be a month not only to close out a successful school year, but to complete the year with memorable moments! It is hard to believe we are in the final stretch of another incredible school year!

Throughout this month, our campus will be buzzing with end of year events, special activities, and opportunities to recognize the hard work of our students and staff. From classroom celebrations to campuswide events, May is truly a time to come together as a school community and celebrate all that has been achieved.

I want to take a moment to recognize and thank our amazing teachers during Teacher Appreciation Week. Their dedication, passion, and commitment to our students make Greens Prairie Elementary a place where our students experience the joy of learning and truly thrive.

This newsletter is filled with helpful information about upcoming activities. We invite you to join us as we celebrate a wonderful year of learning and growing!

With Mustang Pride,
Donna Bairrington, Principal
