Let's all Snuggle Up with a Good Book!

On **Wednesday, December 15th** we are asking students to wear their pajamas and slippers or a robe to school. We will be taking time during the day to "Snuggle Up with a Good Book". Please send a book with your child also! It is so important to keep reading with your child during Winter Break. Visit the public library and if your child does not have their own card, this would be a great time to get them one!

Jingle Bell Run 12/16

Jingle Bell Run (on 12/16) is a family fun run that we do during the kids' specials time. We invite our parents, grandparents and even our little brothers and sisters to come to school and run or walk our greenbelt trail that loops around through our parking lot. In each grade level, the classes compete to see which class has the most energy and endurance. After the run and the counting of the laps, a trophy is presented to the class that has earned the most laps. They get to keep the trophy in their room until the next family fun run. We encourage all to come, except for your pets. We love animals at Greentree but the greenbelt is too crowded and the leashes are dangerous.

If you are unable to run or walk, we always need people to help us mark the pumpkins!

Please RSVP to wendi.henson@humbleisd.net no later than Monday, December 13th.

When you RSVP, please include the following:

- Student name / Teacher name
- First and last name of each adult

If you or your guest has previously been scanned into our Raptor system, a visitor badge will be pre-printed. **Otherwise, you must check in at the Front Office to scan your license.**

ALL guests must have a Visitor Badge!

We are so grateful to our fabulous PTA for sponsoring this event for both Kindergarten and 1st grade, who did not get to have it last year. We love our Community!!!

Go Green - Plastic Bottle Recycling Project

We need your green, plastic bottles!

Shelia Rogers is an activist artist for the environment and she is going to create a 20 foot Christmas Tree made from green plastic bottles. She needs 1,000 bottles to make this happen. **Please help in collecting the**

green plastic bottles with caps so she can make this amazing Christmas Tree. It would be a big help if you removed the labels before donating.

Shelia is also collecting extra plastic bottle tops of any color.

The tree is going to be displayed at The Botanical Gardens in Corpus Christi in 2022.

Bottles and caps can be turned in to the Front Office area. Please have donations at the school by December 17th.

Thank you,
Emily Rogers Bouquet
