MAP Testing Concludes Support MMS PTO

It's been a fantastic week at Moultrie: students have finished MAP testing for the fall; yearbook photos have been taken; and club meetings are underway.

MAP scores are used formatively to track students' progress and to help teachers collaboratively plan for

instruction. Please encourage your child, regardless of his/her scores, to work towards continuous improvement throughout the year alongside his/her outstanding teachers. Moultrie achievement and growth data suggests its teachers know exactly what students need and how to provide rigorous learning opportunities for them. Call us if

you have questions/concerns.

Info on MMS PTO's fundraising plans for the year will be advertised soon. If you're interested in being involved or finding ways to support its efforts, please email the PTO Board at moultriepto@gmail.com.

Enjoy the weekend!

Smiles, Anita

Username: HugAni0918

Password: HugAni0918

Students should use the following website for access:

<https://powerschool.charleston.k12.sc.us/public>

From Nurse Wilson...

All immunization records are due by October 1. After this date, delinquent students will not be allowed to attend school until the record is submit submitted.

Due to the relocation of the teachers' parking lot as a result of new school construction, please do not park & wait in the parking lot with students in the mornings if possible. Thank you!

Buddy Day

Come to school dressed like your buddy/buddies!

October 24 - \$1 student fee to benefit Lowcountry Down Syndrome Society

Sponsored by MMS Student Government
