News You Can Use

A Message from the Principal:

The 4th Marking Period Interim Period officially ended last Friday (May 7th) and our Interims Reports will be distributed to students and parents on Monday, May 17th. Please take the opportunity to review your student's progress so that you can celebrate their successes, or help them make the necessary adjustments so that they are able to improve their grades prior to the end of the marking period. One way that all of our students (both in-person and virtual) can help to ensure their success, is by making sure that they continue to make attendance to all of their classes a priority. Our data shows that those students that attend class on a regular basis are the ones that are earning passing grades. I am looking forward to a great end to our school year (14 days left for Seniors and 21 days left for Underclassman) and am excited for a successful finish from all of our students!

Mr. Zimmerman

GRADUATION 2021: We are excited to announce that our graduation for this year's senior class has been scheduled for Friday, June 4 at 5:30 (Rain date will be Saturday, June 5th at 10:30). While all of the logistics have not been worked out, we do know that we will be holding the ceremony in our stadium and that only 4 family members per graduate will be permitted to attend the in-person ceremony. Our most up-to-date graduation plan was emailed to all Seniors and their parents with during the week. If you have questions about our current plan, please feel free to email Mr. Zimmerman at your earliest convenience. **Parents and students are reminded that while our current conditions permit us to hold and outdoor Graduation, the Health Department could always make changes based real time Covid Data at the time our Graduation is scheduled**

Senior Graduation Material Pick-Up

Those students that still have not picked up their caps/gowns can do so on Wednesday (May 12th) between 8:00 and 3:00. If a student still has not ordered a cap/gown and plans to participate in the graduation ceremony, the link to do so is below:

https://issuu.com/jostens_scholastic/docs/201980_apa-102-21_gdp_sy21_grad-jwl_combo_full_cat?fr=sMiq5MzE2NjQ3MDY

As a reminder, Seniors are not permitted to alter or decorate their graduation caps and gowns in any fashion. Those seniors that decide to decorate their caps and gowns (and are unable to remove decorations prior to graduation) will not be able to participate in the graduation ceremony on June 4th. Also, any sash that is not an approved CCPS sash will not be permitted to be worn during the ceremony.

Any Senior that has not received their "Senior Sign" can do so on Wednesday, May 12th between 8:00 and 3:00.

Senior Obligations: Now that the year is almost over, many of our Seniors students still owe a financial obligations or materials to Bohemia Manor High School. Please make sure you check with your student to see if they have any items that need to be returned (textbooks, athletic uniforms, etc...) or if they still own any financial obligations. Update financial obligation letters will be sent to Seniors in the next several weeks. **Those Seniors that do not return materials or make an effort to satisfy their financial obligations will not receive their final transcripts after graduating.**

If you have any questions concerning a financial obligation that you owe, please contact the main office and ask to speak to our school's bookkeeper, Lisa Liberti.

AP Testing: AP testing started this past week! The testing schedule and testing room location for our upcoming scheduled AP tests is attached below. Please be sure to review the testing schedule so that you know what room to report to for testing. You need to be in the testing room by 7:30 AM for an AM exam and by 11:30 AM for a PM exam.

Students wishing to sign in late prior to an afternoon exam or leave school early after a morning exam, will need to fill out an AP testing sign in/out form that a parent has to sign. Please return this form to the main office as soon as possible so that you are able to sign in or out. You can also scan and email the form to Ms. Moore or to Ms. Connell.

Remember that students with an exam on a Wednesday will need their own transportation to the school for testing. Those few students who are testing digitally need to be sure to read the email Ms. Moore sent out recently regarding steps that must be taken for digital testing. Those students should email her back confirming that they have started those steps.

If you have any questions about the AP exam, please email Ms. Moore with any questions about anything and good luck with testing!

Please contact the Cecil County Health Department or your family doctor if you have questions specific to the vaccine.

School Attendance: A reminder to all of our students and parents that a student's attendance in each course of enrollment will be used to determine a student's daily attendance. In order for a student to be marked present for a full day, they must attend and engage in learning a minimum of 50% of their classes each day. Students that are marked absent from a class can have that changed to being marked present as long as they complete and submit their assignments for the class they missed within 2 school days.

If your student does need to be absent from school, they will need to provide our attendance secretary with a note stating their name, reason for being absent, and the date(s) in which they were absent once they return. Absence notes can be emailed to our attendance secretary (Ms. Sue Connell) @ kbconnell@ccps.org.

Twilight School: With our school year quickly coming to an end, many of our students need to earn a passing grade or high in one or more of their classes in order to be able to pass the class for the year. To help support students, Bohemia Manor High School will continue offering virtual Twilight School on Monday, Tuesday and Thursday each week. Those students that need extra help, have a question, or need support completing/submitting an assignment can access Twilight School between 3:00 and 4:00 or 6:00 and 7:00 on the assigned days. Twilight School will begin this week (starting on Tuesday) and students can access the Twilight School by logging into their Schoology account and adding the Twilight School Course (which has the appropriate Blackboard Sessions) using the access code provided below. A link to directions for how a student can add the Twilight School Course to their classes have also been provided.

High School Athletics: Bohemia Manor had another great week on the athletic fields, courts, and track. With only several weeks left in our Spring Sports season, we have another “packed” week of games this week as teams look to finish out their seasons. As each team continues their season, I want to take this opportunity to remind everyone that **sportsmanship will be a priority with our fans and athletes**. We all need to continue working together to make BMHS an enjoyable place to watch great student athletes compete! Please understand that if our fans and parents are not able to exhibit respectful behavior during a game, they will lose their spectating privileges.

Also as a reminder, while spectators that attend our Spring athletic events are now permitted to not wear a mask because these events are not “ticketed,” spectators will be required to maintain social distancing from persons not in their immediate family.
