Parking - To avoid the normal car line, please pull into the bus entrance (next to the soccer fields) and turn right into the small lot. Tell the person at the front door you are here for APD.

crocstm

This is a friendly reminder to make sure students have appropriate footwear for all school activities, including PE and recess! We've had an increased number of injuries related to footwear, specifically crocs.

Notes from the NURSE!!

Medication not picked up by May 27 will be thrown away, so please make arrangements to come to the school to get your child's medication. Medication cannot be sent home with students.

Clothing:

If your child has borrowed any clothing items from the school, please wash and return the items as soon as you can (do not return used underwear). Please keep in mind that it's often a good idea to send in an extra set of clothing for your child to have on hand in the event of an "accident".

We have a clothing closet at school and are accepting gently used **pants and shorts** (elastic waist is best), socks, shoes and jackets, as well as new, unused underwear. We do not need shirts at this time.

Medication Reminders

Please review the following guidelines in the event that your student needs to take medication at school:

- A medication consent is required for any medication given at school.
- Students are not allowed to carry medications on the bus or school property. All medications should be taken to the front office by an adult, aged 18 or over.
- If the medication is over-the-counter, there must be appropriate dosing instructions on the label for the child's age. The bottle or box has to be new and unopened. The medication consent must be signed by the parent. A doctor's signature is NOT required.
- If the medication is a prescription, it must have a prescription label on it. The medication consent must be signed by the parent AND the ordering physician.

For more information concerning medications at school and other subjects related to Student Health Services, please go to the Fort Mill School District website (see link below). You may also print medication consents using this link.

<https://www.fortmillschools.org/departments/student-health-services/student-nursing-services>

Notify Nurse McLelland if your child will be attending any district sponsored summer programs so we can communicate with those schools concerning your child's healthcare needs.

Notes from the NURSE!!

If your student has a medical condition requiring an emergency plan and/or medication, you should receive paperwork via email before the last day of school. Emergency plans, medication consents and other doctor's orders must be completed yearly. Please have these forms filled out over the summer by your child's healthcare provider. Please contact Nurse McLelland if you have any questions about your student's healthcare needs.

School and Childcare Exclusion

The South Carolina Department of Public Health "DPH" (formerly DHEC) publishes the School and Childcare Exclusion List each year. The Exclusion List explains how long ill children and staff should stay out of school or childcare, and what is needed before the child/student or employee is permitted to return.

To help protect well children from unnecessary exposure to contagious or infectious diseases, South Carolina requires that children and staff with certain diseases and conditions stay home from school or childcare while contagious. For the complete exclusion list, click on: The South Carolina Department of Public Health (DPH), formerly SC DHEC, is currently reporting a higher number than average of Influenza (Flu) cases.

<https://dph.sc.gov/sites/scdph/files/2025-01/2025-Flu-Watch-MMWR-WK-03.pdf>

It is even more important during flu season to encourage our students to wash their hands and cover their mouths and noses when they sneeze or cough. Please work with your children at home and have them practice thorough handwashing.

ATTENDANCE INFORMATION

You can find more information about attendance on page 5 of the handbook. Katie Pattinson is our attendance clerk. You can contact her at pattinsonk@fortmillschools.org. You can also submit any absence notes using the link below.

Attendance Matters

South Carolina Compulsory Attendance Law

"South Carolina Compulsory Attendance Law requires that a parent or guardian shall require his child to attend regularly a public or private school or kindergarten of this State which has been approved by the State Board of Education, a member school of the South Carolina Independent Schools and Association, a member school of the South Carolina Association of Christian Schools, or some similar organization, or a parochial, denominational, or church-related school, or other programs which have been approved by the State Board of Education from the school year in which the child is five years of age before September first until the child attains his seventeenth birthday or graduates from high school."

Bell Schedule 7:35-2pm

Your child needs to be in their seats at 7:35. If you are arriving as the bell rings? Your student is LATE and you MUST enter the building to sign them in as tardy.

Lawful vs Unlawful Absences

Lawful:

- Absences caused by a student's own illness
- Absences due to an illness or death in the student's immediate family
- Absences due to a recognized religious holiday of the student's faith
- Absences due to activities that are approved in advance by the principal.

Unlawful:

- Absences of a student without the knowledge of his or her parents
- They have exceeded the five days that may be excused with a parent note.
- A student is absent without acceptable cause with or without knowledge of his/her parents.
- They are out of town on trips or vacations.

If you have any questions regarding your child's attendance, contact our PowerSchool clerk:
Katie Pattinson
Pattinsonk@fortmillschools.org
803-548-8299

REMINDER

- A maximum of 5 parent excuse notes are allowed for lawful absences per school year
- Medical/Dental notes do not count towards parent notes

Truancy

- A child age 6 to 17 years meets the definition of a truant when the child has three consecutive unlawful absences or a total of five unlawful absences.
- Habitual Truant A "habitual" truant is a child age 12 to 17 years who fails to comply with the intervention plan developed by the school, the child, and the parent(s) or guardian(s) and who accumulates two or more additional unlawful absences. This child may need court intervention and an initial truancy petition may be filed.
- Chronic Truant A "chronic" truant is a child age 12 to 17 years who has been through the school intervention process, has reached the level of a "habitual" truant, has been referred to Family Court and placed on an order to attend school, and continues to accumulate unlawful absences. Should other community alternatives and referrals fail to remedy the attendance problem, the "chronic" truant may be referred to the Family Court for violation
