Moultrie Men Kicks-Off! Data Conferences: Huge Success

We're delighted to have seen well over half of Patriot families on Tuesday's Data Conference Day. If you were unavailable to attend, please schedule some time through either a teacher or guidance counselor to meet 1:1 to review your child's achievement, growth, and readiness data.

We were also extremely pleased

to kick-off this week our Moultrie MEN (Motivated, Engaged, & Noble) group. Teacher-recommended Patriots joined educator and *Boys with A Purpose* own Kenneth Joyner to talk about the "spectacular purpose for which they were designed." Students received and learned how to tie new neckties during the first gathering. If you're interested in your student being part of this

new group, please let us know.

Please don't forget this **Wednesday's** 6 PM meeting at Alhambra Hall to discuss the proposed cell phone tower for Moultrie's campus. There will be a time for public comment.

As always, thanks for your support of our work! Anita

Patriots Hear YALLFest Authors!

University School of the Lowcountry hosted some of our Patriots last week for YALLFest authors Kacen Callendar and Debbie Rigaud. It was an awesome opportunity for students!

From Nurse Wilson...

Flu vaccines will be administered by DHEC to those who completed the consent at Moultrie on December 2. Please call DHEC at (843) 953-0080 if your child is registered for our clinic but has the flu vaccine elsewhere prior to this date.

During cold and flu season, please remember to keep your children home if they have a fever or are vomiting. They may return to school 24 hours **after** the vomiting or fever is gone (without taking fever-reducing medications). Please notify me if your child has a positive flu test from a healthcare provider.

Important Upcoming Dates for Patriots

November 25-26

Inclement Weather Make-Up Days; School for Students!

November 27-29
