Principal Message

From Joshua Rhine

Knights,

We had a lot of success this week to speak of... our 8th Graders represented the Knight Way extremely well during their Career Fair Trip. Our Athletics teams crushed it on the battlefield, and we had a safe transition into the break. May you enjoy the time together and the blessings... GO Knights!!!

Student Announcements

College View High School will be visiting with 8th-grade students to share an exciting opportunity for their high school future! Through Early College High School (ECHS), students can earn college credit—and potentially an associate degree—while completing their high school diploma at no cost to families.

Students will learn about the ECHS experience, college and career opportunities, and how to apply for the 2027-2028 school year.

Big opportunities. Small-school support. A head start on the future.

No Device Use on Campus

Texas law prohibits the use of personal communication devices on school property at all times during the school day. This includes any personal technology device including:

- Cell phones
- Tablets
- Smartwatches
- Headphones/Earbuds and other electronic devices

Devices Must Be Off and Put Away in Backpacks

Personal devices may be brought to school but turned off and stored in backpacks or bags upon entering campus doors. Students may use devices after the last bell of the school day. You may choose to not bring devices to school.

Consequences for Misuse

First Offense: An administrator will pick up the device for the remainder of the school day and log the infraction in MINGA. The student may go to the front office to collect the device after school from 4-4:30PM. Parents will be contacted, and students will have a discussion with their administrator.

Second Offense: An administrator will pick up the device for the remainder of the school day and log the infraction in MINGA. The student may go to the front office to collect the device after school from 4-4:30PM. Parents will be contacted, and students will have a conference with their administrator and sign the Student Device Usage Agreement.

Third Offense: An administrator will pick up the device for the remainder of the school day and log the infraction in MINGA. Parents and students will have a conference with their administrator and sign the Guardian and Student Device Usage Agreement. Once this conference has occurred, the guardian may collect the device.

- They may eat breakfast but must do that before they go anywhere else.
- After finishing breakfast, they will leave the cafeteria. No hanging out in the cafeteria in the morning.
- All students will go to the large gym.
- 8th graders will sit on the left side; 7th graders will sit on the right side.
- Students are to sit in sections assigned by staff on duty.
- ONCE IN THE GYM, STUDENTS WILL NOT BE ALLOWED TO LEAVE.
- If students need to go to tutorials, they must go straight to the Engage wall. Once you enter the gym, you will NOT BE ALLOWED TO LEAVE.
- If you need to drop off instruments, you must do this before you go to the gym.
- If a student needs to use the restroom, they can use the gym area restrooms BEFORE they enter the gym. Once you enter the gym, you will NOT BE ALLOWED TO LEAVE.
- Tutorials will start the week of August 31, 2026
- Once you enter a room for tutorials, you will not be allowed to exit that classroom. You will stay until dismissal to 1st period.

AFTERNOON PROCEDURES

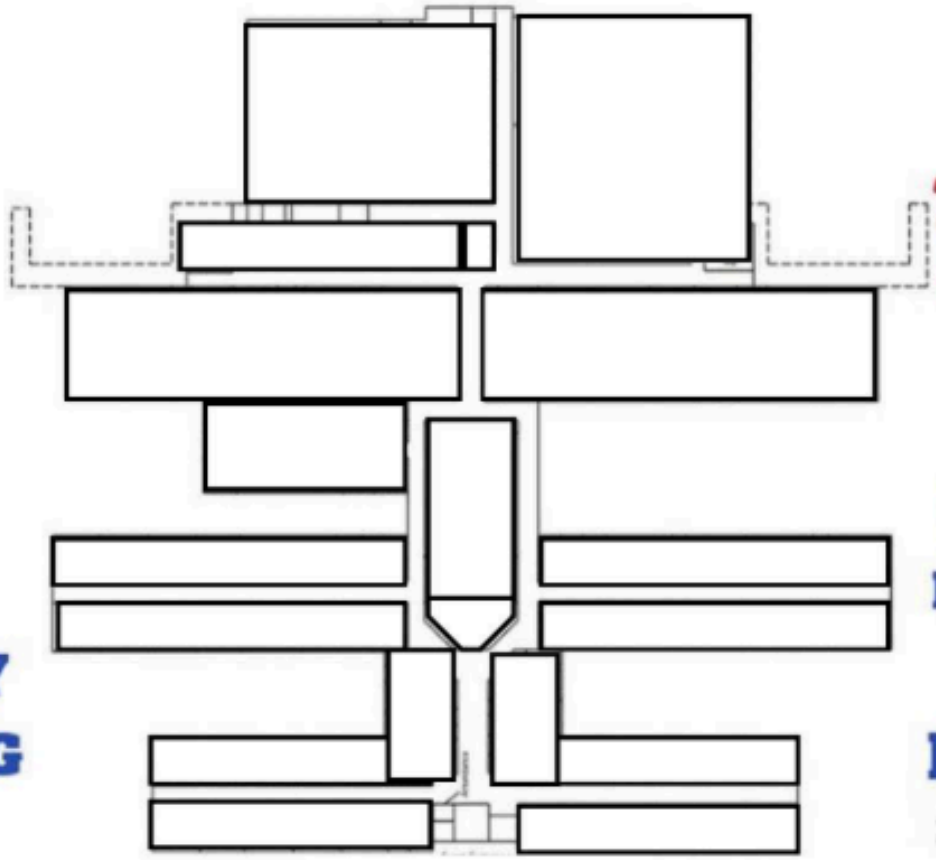

- All students will exit the building at dismissal time.
- Students will not be allowed to linger
- Only students will tutorials passes or after school activities will go to their designated area.
- Everyone else will head outside.
- Walkers and bike riders need to exit campus immediately when dismissed at 4:00 pm
- Failure to do so will result in a discipline consequence.

WHY THE CHANGES

We are making these changes with one priority in mind: the safety and success of our students. Over the summer, our Campus Leadership Team and administration spent a great deal of time thoughtfully discussing ways to strengthen our campus and create an environment where every student can be safe, supported, and successful. The changes we are implementing reflect the ideas and recommendations our team believes will help us provide greater consistency, structure, and safety for everyone at CSMS.
