THIS WEEK'S HEADLINES

BOOSTER THON *...a huge success*

On Friday, Sango held its Fun Run, and we had an AMAZING day! We can't thank you enough for all of your support and hard work. Below are some pictures of all the fun we had.

We even had football and tennis athletes from APSU who came out to mark laps and cheer for the students.

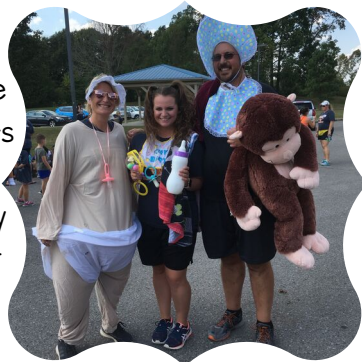

THE SANGO SCENE

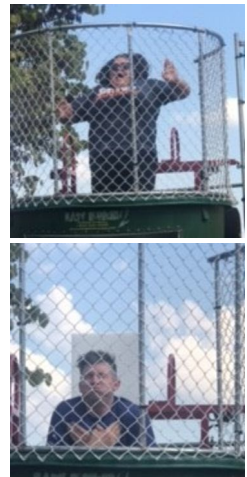

As you know, throughout Boosterthon, there was a competition between Team Blue and Team Orange. Mrs. Hedrick was Team Blue's leader, and Mrs. Winn was the leader of Team Orange. Throughout the competition, the students were reminded that the team which raised the least amount of money, their leader would become a human ice cream sundae. Team Orange won the competition, so, following the Fun Run, students turned Mrs. Hedrick into a sundae.

Students were also challenged to collect pledges from all 50 states. If this challenge was met, the PE teachers would dress up like babies. Not only did they meet the challenge, but they also got pledges from three other countries.

The top pledge collectors also had the opportunity to dunk a teacher in the dunking booth. Teachers' names were drawn at random to be dunked in the booth. Blue Jay, of the Boosterthon team also participated.

Thank you...

We would like to thank Jeff Slinker for coming to Sango on Friday before the Fun Run. He used his drone to take a picture of the students, faculty, and staff of Sango. This picture will be used as the front cover of the 2019-20 yearbook. If you have not yet ordered one, you may do so by visiting www.jostens.com.
