## From the Principal

Dear NH families,

I hope this latest edition finds your family well and that you are appreciating the new streamlined version of our Knight Line Communication.

As you may have heard me say before, Normandale Hills is a special place due to the fact everyone associated with our school is working together on behalf of all of our wonderful students. A big part of this is our very active and ever generous Parent Teacher Association (PTA). Please help me in thanking this year's leaders – *Beth Clubbs, Crystal Blaha, Rosella Pregler, Emily Jacobsen and Jared Leese* all of whom routinely go above and beyond on behalf of our school community.

There are two significant PTA related events of note I would like you to consider participating. First is our May meeting which will be held on Tuesday, May 3 starting at 6:30 in our Media Center. This will be our first in-person meeting in some time and we are excited to welcome back parents / caregivers to Normandale Hills. Secondly, the PTA will be hosting an end of the year picnic on the evening of Friday, May 6. This event will give us a chance to reconnect in person and you will also have time to bid on a few Silent Auction items with the funds raised going to support future PTA programming.

Thank you for your continued support of both Normandale Hills Elementary and the Bloomington Public Schools.

Sincerely,  
Dr. Vollmuth

## Festival Of Learning

We are excited about the virtual roll-out of our annual Festival of Learning.

This year our school-wide study is about Asia. We look forward to celebrating all of the learning that has taken place in our classrooms and school, so be on the lookout for a digital performance to be sent out on Friday, May 20th.
