Join us for One Book One School! Let's read together and show our learners the importance of community. There is more information below. **TOGETHER WE RISE!**

Headlines:

One Book One School: We will be starting our all school read tomorrow! Your students will come home with the book *A Boy Named Bat*. As a school community, we are excited to read and discuss this book. We ask that you set aside time to read the designated chapters as a family (we will not be reading it in class). At school, we will have discussions and a trivia contest! This is going to be a great opportunity for us to Fly Together! Here is an [intro letter](#) describing our event. Scan the QR code for the reading schedule and activities to do at home. If you need someone to read to your learner, our staff is reading each chapter and recording it. Here are the first three chapters! [Chapter 1](#) [Chapter 2](#) [Chapter 3](#) We will celebrate our One Book One School event as a community on March 5th with Literacy Night. I hope to see you there!

Is your learner registered for the 2025-2026 school year?

Please see this message from Dr. Mary Henderson:

This is a reminder that returning families need to complete the 2025-26 registration for each of your learners. It is critical that we have accurate information in order to determine staffing numbers for next year. We want to keep our current staff and certainly don't want to lose staff only to have to hire new due to late registrations.

Do you have new neighbors or families with incoming kindergarteners? Encourage them to visit the district website for information on registering new learners.

Currently less than ten percent of our families have registered for the upcoming school year. Thank you in advance for your attention to getting this done.
