Principal Message

From Joshua Rhine

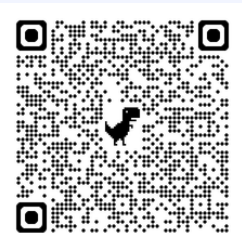

Knights,

Our Volleyball and Cross Country teams both represented the Knight Nation very well to start off the year! We look forward to football and volleyball on campus this coming week and wish all of our athletes well (Please also see Stadium Expectations below for football.)

I wanted to send a reminder to all parents and students about bike, scooter, and walking safety as it pertains to our parking lots and roadways. We are seeing too many kids trying to cross our staff lot after school. **This is very dangerous and will not be permitted at any time.** Please remind your child to use the sidewalks always. Thanks for your commitment to safety and all the rest... GO Knights!!!

WHY THE CHANGES

We are making these changes with one priority in mind: the safety and success of our students. Over the summer, our Campus Leadership Team and administration spent a great deal of time thoughtfully discussing ways to strengthen our campus and create an environment where every student can be safe, supported, and successful. The changes we are implementing reflect the ideas and recommendations our team believes will help us provide greater consistency, structure, and safety for everyone at CSMS.
