Bridge Arts Ensemble Visits Moultrie

Wear RED Friday for ADNP Awareness & Research

It was a great week back following Fall Break. Students and teachers were excited to return to a routine as the mid-point of the second quarter passes. Please make sure to keep abreast of your student's progress via Parent/Student Portal.

We were excited to host the

Bridge Arts Ensemble Thursday and Friday. The group brings high-level, professional musicians from New York City for residencies and is comprised of some of New York City's finest musicians, including graduates of The Juilliard School, Manhattan School of Music, Yale School of Music, and Cleveland Institute of Music. The group returns Friday for lessons with some of our fine arts students.

We're asking Patriots to donate \$1 on Friday and wear red as we support ADNP Kids Research Foundation in honor of one of our own Patriots, Alexi Downing, who suffers from this rare disorder.

Thank you for your continued support of our work. Please don't hesitate to reach out if you need us! Smiles, Anita

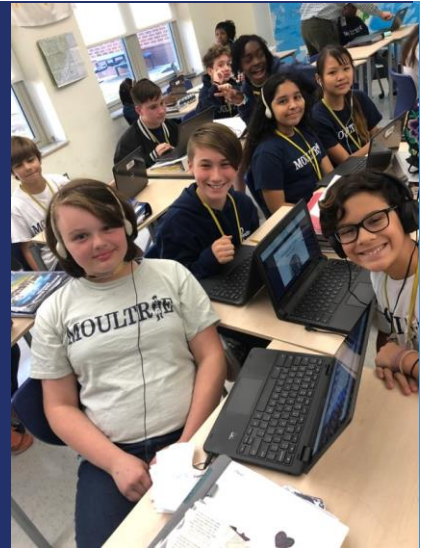

Kindness Counts!

Seventh grade students planned kindness projects for various groups of stakeholders around campus to thank them for their service after learning more about Harriet Tubman and her legacy. Here, students prepare cookies for construction workers.
