Moultrie Rocks: #1 Rated Neighborhood School in South Carolina

What an EXCELLENT week to be a Patriot! We learned on Tuesday that not only is Moultrie the #1 rated *neighborhood* school in SC, it's also the #2 middle school in SC (of 330), second only to CCSD's districtwide magnet, Buist Academy. This is quite an accomplishment and a testament to outstanding teaching, strategic interventions for students,

as well as teachers' thoughtful planning and supportive parents. Most noteworthy about this accomplishment is that nearly 98% of all MMS students met growth targets.

We need YOUR support in order to continue this pattern of excellence! Continue to encourage at-home reading, completion of homework, as well as use of adaptive tools like

ALEKS. Additionally, encourage students to stay actively engaged in classes, listening to the guidance of teachers.

We were particularly pleased with the *Hotcakes with Huggins* turn-out! Special thanks to all those who were able to attend. Enjoy the weekend! Anita
