

# Hawk Headlines

## Principal's Message:

Hutton Community,

Spring is certainly in the air! It is so wonderful to have all our scholars back in the building. Students have acclimated wonderfully to the many changes that have happened over the course of the year.

As I visit classrooms, I am so proud to see the teaching and learning that is happening. We have had to get a little creative in our approach, but students are thriving.

Please check our website frequently for updates and feel free to reach out to me at any time about how I can better support you as a school leader.

Thank you for your partnership this year!

A Heart for Hutton,

LaTonya Simmons

Principal, [latonyas@spokaneschools.org](mailto:latonyas@spokaneschools.org)
