Library Books Due May 13th

The last day to check out books from the Greentree Library is Friday, May 6th.

All library books need to be returned by Friday, May 13th. I will send an email the week of May 9th to let you know what your student has checked out from the library. If the book is lost please contact me for the price (I need to add sales tax to your price). Books need to be paid for using RevTrac on the Greentree Website. You will select your homeroom teacher from the menu, library is not listed. I will be notified by email when you pay and I will remove the book from your student's account.

Book Swap Coming Soon!

We are going to be having a **Book Swap** in the library Monday, May 16th. We are asking those of you that would like to participate to send in **one book** that is in **good shape** and that others in **your grade level** might like to read to the library by Friday, May 13th. (please be sure they are something others will want to read) Students that bring books to the library will have their name written on a ticket that will be kept in the library. Students will not get their same book back. The idea is to select a book that is "new" to them to read.

If some of you have some **extra books** you would like to donate that would give us a larger selection for students to select from during the Swap. Any extra books will be donated to the classrooms.

Summer Reading

Students in grades K-4 will be given a Readopoly page to encourage reading throughout the summer. The board has spaces to write the names of the books you are reading, and also spaces with some fun ways to read. Students that return their Readopoly sheet in August will be invited to a reading celebration in September and will earn the opportunity to check out an extra book when they visit the library next year. If your Readopoly page gets lost you can download a new one from the Greentree Library Website.

Be sure and visit the Kingwood or Atascocita Public Library and pick up their summer library events too.

TALENT SHOW

It is Talent show time! Greentree's Talent show will be during the day on **May 23rd at 8:15am for K-3rd grade and 1:15pm for 5 & 4th**. Auditions will be submitted through FlipGrid. FlipGrid Videos will need to be submitted by **May 13th at 11:59pm**. This will give me enough time to review them. Videos can be done right on Flip Grid or you can also upload a previously recorded video. If your child is interested in participating, please work with him or her to ensure that the guidelines are met. I am delighted that

children want to perform and I want to be able to give them the opportunity. Please help them assess their talents and choose a way in which they can best shine. For the protection of all of our students I ask that you **NOT** post this flipgrid code on social media. Results will be posted on my staff website page at <https://www.humbleisd.net/Page/4114> by May 17th at 11:00pm.

How to Audition for the Talent Show

- Fill out this Google Form <https://forms.gle/644csVuuTFhj9EFR9>
- Go to www.flipgrid.com
- Enter the flipgrid code: 9361fea4
- Select the grade level of your child. If there are two or more grade levels involved submit your video in the highest student's grade level.
- Here is a video showing you how to submit a flipgrid video or upload a previously recorded video. [Click Here](#)
- Find your grade level and submit.
- You will not see your video appear because I have them hidden. I will comment on your video " I got it" and you will get an email showing the comment.

The guidelines are as follows:

- All acts should be less than 3 1/2 minutes.
- Implied violence, suggestive outfits or inappropriate words or lyrics will not be permitted.

Piano (or instrumental)

- Song should be at least 30 seconds long.
- Student should play with both hands.
- Music played should be a composed song.
- Student should be able to play with fluency and accuracy.
- Song does not have to be memorized!

Vocal

- Lip syncs will not be allowed unless there is total choreography.
- "Sing-alongs" are not permitted. The student should be the performer, not a recorded artist. Some performance/ accompaniment tracks are available on youtube but you will find the most selection of Karaoke songs on iTunes (and for the best price!).
- Song words must be memorized. Choreography and/or hand gestures should also be used.

Dance or Gymnastics

- Dance or gymnastics require recorded music. Music should end when routine ends.
- Activity should be a minimum of 45 seconds.

Comedy Skits

- Must be in good taste.
- They should be well rehearsed, humorous, and contain age-appropriate material.

Something New and Creative

- Must be in good taste.
- Must be entertaining

If you have any questions about any of the requirements, please call or email us at school (281)641-1958. Summer.McKee@humbleisd.net . I am looking forward to seeing and enjoying all the wonderful things your children can do.

Mrs. McKee

Graduation is quickly approaching ...
It's time for GTE's Senior Reception!

Senior Reception is an event honoring former
Greentree Gators graduating from high school in May.

Please join us as we celebrate our GTE Seniors!

Thursday, May 19th
4:00pm
Greentree Elementary Cafetorium

Scholarship recipients will also be honored at this time. Seniors
will have an opportunity to tour the school, visit with former
teachers after the reception, and take pictures with the wooden
Gator. Parents/families are invited, too.

Please pass on the word to family members and
neighbors about this exciting event!
