YORBA LINDA MIDDLE SCHOOL

2022-23 Promotion Information for Eighth Grade Students

YLMS Dress Code -

Placentia-Yorba Linda Unified School District School Board Policy establishes that students shall wear appropriate clothing and footwear and groom themselves for school in a manner that does not discriminate against participants in, or substantially disrupt, the educational program. The administration and staff believe that dress affects the academic environment at school and, in some cases, can be disruptive to the learning environment. Therefore, the dress code applies at all times to students while on campus or in attendance at any school event.

The following items are examples and not intended to be a complete list of rules regarding dress:

- Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
- Clothes shall be sufficient to conceal undergarments at all times. See-through or fish-net fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.
- Pants must be worn near waist level; oversized clothing is unacceptable.
- Outer clothing must be in good repair.
- Shoes must be worn at all times. No open toed shoes allowed. All shoes must have a back.
- All decisions regarding interpretation of dress code will be determined by administration.

PYLUSD Dress Code EC Section 35183 –

Students must wear appropriate clothing, footwear, and accessories, and must groom themselves for school in a manner that supports standards of safety, does not offend common standards of decency, does not reflect negatively on, or detract from any phase of the educational program, and does not indicate a relationship to unauthorized student groups. School dress codes do allow for the outdoor use of sun-protective clothing (e.g., hats, etc.). These guidelines apply during the school day and at school sponsored activities conducted on or off campus outside the official school day. Principals will publish specific statements and guidelines developed by their staff, students, and community. The Education Code authorizes school districts to adopt a dress code policy that would require students to wear a school-wide uniform.
