Class Spotlight

6th Grade

The 6th-grade students have been incredible mentors in the Child Development class, showing immense dedication in guiding their peers through the holiday season. Whether helping with Christmas caroling or assisting with holiday shopping at the school store, these students have gone above and beyond in supporting their younger schoolmates. Their willingness to step up and lead with enthusiasm has made these activities both fun and meaningful. Their kindness, patience, and leadership made the holidays brighter for their peers, creating a warm, collaborative spirit that will be remembered long after the season. These 6th-grade mentors exemplify the true meaning of giving and teamwork!
