LOST & FOUND

We plan to donate all unclaimed items in the lost and found at the end of each month. Please be sure to put your student's name in their coats, shirts, hats, etc. Before we donate, we will check each items and try our best to reunite the articles of clothing with their owners.

Notes from the NURSE!!

With cooler temperatures and increased illnesses, I am running low on Kleenex facial tissues and disinfecting wipes such as Clorox or Lysol wipes. Donations are greatly appreciated!

Clothing:

If your child has borrowed any clothing items from the school, please wash and return the items as soon as you can (do not return used underwear). Please keep in mind that it's often a good idea to send in an extra set of clothing for your child to have on hand in the event of an "accident".

We have a clothing closet at school and are accepting gently used pants and shorts (elastic waist is best), socks, shoes and jackets, as well as new, unused underwear. We do not need shirts at this time.

It's Flu Season!

The CDC and SC DHEC recommend that everyone 6 months and older get the flu vaccine. Please click on this link for more information: <https://scdhec.gov/health/flu/flu-vaccine-clinics>

Medication Reminders

Please review the following guidelines in the event that your student needs to take medication at school:

- A medication consent is required for any medication given at school.
- Students are not allowed to carry medications on the bus or school property. All medications should be taken to the front office by an adult, aged 18 or over.
- If the medication is over-the-counter, there must be appropriate dosing instructions on the label for the child's age. The bottle or box has to be new and unopened. The medication consent must be signed by the parent. A doctor's signature is NOT required.
- If the medication is a prescription, it must have a prescription label on it. The medication consent must be signed by the parent AND the ordering physician.

For more information concerning medications at school and other subjects related to Student Health Services, please go to the Fort Mill School District website (see link below). You may also print medication consents using this link.

**Covid - Flu - Bronchitis -
Pneumonia - RSV**

Attendance Matters

South Carolina Compulsory Attendance Law

"South Carolina Compulsory Attendance Law requires that a parent or guardian shall require his child to attend regularly a public or private school or kindergarten of this State which has been approved by the State Board of Education, a member school of the South Carolina Independent Schools and Association, a member school of the South Carolina Association of Christian Schools, or some similar organization, or a parochial, denominational, or church-related school, or other programs which have been approved by the State Board of Education from the school year in which the child is five years of age before September first until the child attains his seventeenth birthday or graduates from high school."

Bell Schedule 7:35-2pm

Your child needs to be in their seats at 7:35. If you are arriving as the bell rings? Your student is LATE and you MUST enter the building to sign them in as tardy.

Lawful vs Unlawful Absences

Lawful:

- Absences caused by a student's own illness
- Absences due to an illness or death in the student's immediate family
- Absences due to a recognized religious holiday of the student's faith
- Absences due to activities that are approved in advance by the principal.

Unlawful:

- Absences of a student without the knowledge of his or her parents
- They have exceeded the five days that may be excused with a parent note.
- A student is absent without acceptable cause with or without knowledge of his/her parents.
- They are out of town on trips or vacations.

REMINDER

- A maximum of 5 parent excuse notes are allowed for lawful absences per school year
- Medical/Dental notes do not count towards parent notes

Truancy

- A child age 6 to 17 years meets the definition of a truant when the child has three consecutive unlawful absences or a total of five unlawful absences.
- Habitual Truant A "habitual" truant is a child age 12 to 17 years who fails to comply with the intervention plan developed by the school, the child, and the parent(s) or guardian(s) and who accumulates two or more additional unlawful absences. This child may need court intervention and an initial truancy petition may be filed.
- Chronic Truant A "chronic" truant is a child age 12 to 17 years who has been through the school intervention process, has reached the level of a "habitual" truant, has been referred to Family Court and placed on an order to attend school, and continues to accumulate unlawful absences. Should other community alternatives and referrals fail to remedy the attendance problem, the "chronic" truant may be referred to the Family Court for violation
