Nut Allergies: A note from the nurse:

Dear Parents and Guardians,

To ensure the safety of students with peanut and tree nut allergies, we ask that all classrooms with students who have these allergies remain peanut and tree nut free zone. This means that all snacks brought into the classroom must not contain peanuts, tree nuts or any nut products.

However, students may still bring foods containing peanuts or tree nuts in their lunches, since these will only be eaten in the lunchroom.

We appreciate your support in creating a safe and inclusive environment for our students. Thank you for helping us protect the health and well-being of children with allergies.

Picture day: Picture Day is **September 23rd**. See the flyer to prepay. Ordering will be closed at Midnight the day of Picture Day to process the orders. See [flyer](#).

Curriculum Night: September 11th 6-6:45 We will be doing an open house style Curriculum Night. On September 8th, teachers will share their Curriculum Night slides for you to look through ahead of time. Then, join us on September 11th to talk with teachers and ask questions.

Vision: At Spring Hills, we are a solution-focused community who communicate and work as a team for student-centered learning.
