DOCTRINA PERPETUA

A Busy, Productive Week!
It's been a busy week at Moultrie for students and teachers alike!

The week started with the exciting announcement of Macklin Levin as the PTO's anti-bullying t-shirt design winner. Macklin's amazing *Stomp Out Bullying* design is available on the back of red Moultrie uniform shirts for \$20.

Teachers were also delighted to select and announce October's

Students of the Month: 6th grader, Greshem Kinard; 7th grader, Calvin Volkman; and 8th grader, Will LeClercq. All three received gift cards from Chick-Fil-A, along with certificates of recognition.

Particularly exciting for students was this week's band concert and Battleball Tournament, along with spirit days on both Thursday and Friday. In fact, students collected over \$300

to benefit breast cancer research during *Pink Out Friday*!

Please don't forget upcoming Family Data Conferences this Tuesday as well as the meeting about Beckham High on Thursday evening! We look forward to seeing you as we plan together for students' futures. Enjoy the weekend! Anita

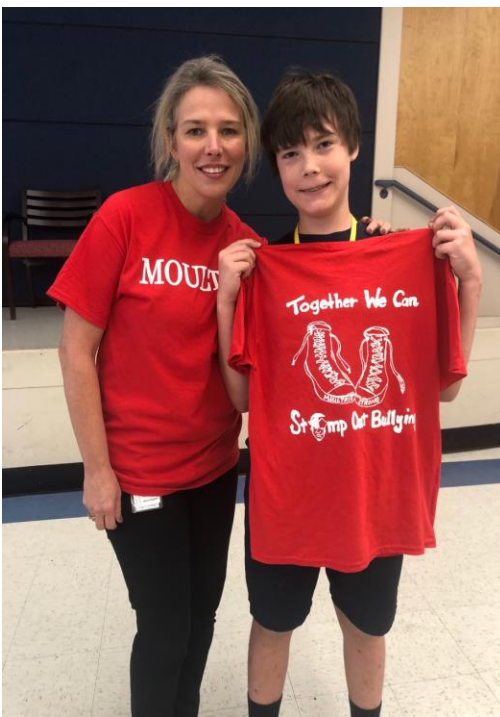

Congrats, Wando C Team Players!

Congratulations to Patriots who played on the Wando C Team this year, which went undefeated for the season. We're proud of you, boys!

Becoming Beckham Informational Session/Q&A

November 7 - 6:00 PM

Moultrie Middle School

Families and community members are invited to join the Beckham High School team to learn about academics, athletics, activities, and

From Nurse Wilson...

Special thanks to PTA volunteers Allison Everton and Annalye Andrews for helping with 7th grade hearing and vision screenings last week. Thanks as well to our volunteer optometrists Dr. Katie Kegal, of Coastal Vision Care, and Dr. Elizabeth Braun, of Preferred EyeCare Center. Any needed referrals will be sent home during the month of November.

Flu vaccines will be administered by DHEC to those who completed the consent at Moultrie on December 2. Please call DHEC at (843) 953-0080 if your child is registered for our clinic but has the flu vaccine elsewhere prior to this date.

During cold and flu season, please remember to keep your children home if they have a fever or are vomiting. They may return to school 24 hours after the vomiting or fever is gone (without taking fever-reducing medications). Please notify me if your child has a positive flu test from a healthcare provider.

Congrats, All-County Honors Chorus 2020 (above)!
