Patriots Honor Veterans Mock Trial Advances to State

What a wonderful week of honor and giving!

On Monday, Patriots welcomed Captain Jeff Borowy to Moultrie to learn about his 30+ years as a Naval Officer and to celebrate those who have given so much for our freedom. The engagement of students was remarkable.

I continue to be overwhelmed

by the dedication and generosity of our Patriot students, their families, as well as our staff. Within 24 hours, our Angel Tree slots for giving during the holiday season were completely full. What a wonderful way to model cheerful giving for our young adults! We'll continue our underwear/sock as well as canned food drives as the holidays quickly approach.

Some of our 8th graders (above)

visited the SC Historical Society Friday to research their National History Day projects while our Mock Trial team advances to the State competition in December.

Stop by Tuesday if you can to honor our bus drivers during breakfast at 8:30 AM; perhaps you can also visit our new mindfulness room! Smiles, Anita

Congrats, Ms. Doyle & 6th Graders!

Ms. Doyle's 6th grade science students were honored by Dr. Postlewait and the leadership team for making the greatest Lexile gains of ALL secondary schools during the month of October via Achieve 3000.
