## Please Return

## **ALL LIBRARY BOOKS**

Students should return all library books this week to avoid library fees.

We have 15 more days of the carline. We take safety very seriously. If you do not have your car tag with you, you will need to park and take your license into the front office. If you usually walk across the crosswalk to get your student, please bring your car tag with you. Even if you have done this all year, we need you to still bring your tag with you. ## Notes from the NURSE!

Medication not picked up by
May 27 will be thrown away,
so please make
arrangements to come to the
school to get your child's
medication. Medication
cannot be sent home with
students.

### **Clothing:**

If your child has borrowed any clothing items from the school, please wash and return the items as soon as you can (do not return used underwear). Please keep in mind that it's often a good idea to send in an extra set of clothing for your child to have on hand in the event of an "accident".

We have a clothing closet at school and are accepting gently used <u>pants and shorts</u> (elastic waist is best), socks, shoes and jackets, as well as new, unused underwear. We do not need shirts at this time.

### **Medication Reminders**

Please review the following guidelines in the event that your student needs to take medication at school:

- A medication consent is required for any medication given at school.
- Students are not allowed to carry medications on the bus or school property. All medications should be taken to the front office by an adult, aged 18 or over.
- If the medication is over-the-counter, there must be appropriate dosing instructions on the label for the child's age. The bottle or box has to be new and unopened. The medication consent must be signed by the parent. A doctor's signature is NOT required.
- If the medication is a prescription, it must have a prescription label on it. The medication consent must be signed by the parent AND the ordering physician.

  Or more information concerning medications at school.

For more information concerning medications at school and other subjects related to Student Health Services, please go to the Fort Mill School District website (see link below). You may also print medication consents using this link.

Notify Nurse McLelland if
your child will be
attending any district
sponsored summer
programs so we can
communicate with those
schools concerning your
child's healthcare needs.

### Notes from the NURSE!

If your student has a medical condition requiring an emergency plan and/or medication, you should receive paperwork via email before the last day of school. Emergency plans, medication consents and other doctor's orders must be completed yearly. Please have these forms filled out over the summer by your child's healthcare provider. Please contact Nurse McLelland if you have any questions about your student's healthcare needs.

School and Childcare Exclusion
The South Carolina Department of Public Health "DPH"
(formerly DHEC) publishes the School and Childcare
Exclusion List each year. The Exclusion List explains how
long ill children and staff should stay out of school or
childcare, and what is needed before the child/student or
employee is permitted to return.

To help protect well children from unnecessary exposure to contagious or infectious diseases, South Carolina requires that children and staff with certain diseases and conditions stay home from school or childcare while contagious. For the complete exclusion list, click on: <a href="https://doi.org/10.1001/jha.1001/j

https://dph.sc.gov/sites/scdph/files/2025-01/2025-Flu-Watch-MMWR-WK-03.pdf

It is even more important during flu season to encourage our students to wash their hands and cover their mouths and noses when they sneeze or cough. Please work with your children at home and have them practice thorough handwashing.

Everything after this page is a repeat from last week. If you didn't read it last week, be sure to check it out this week!
