

## **HAWK Headlines 10.10.24**

Learners were involved in many great learning experiences this week. It is exciting to talk to them and have them share what they are learning and doing in the classroom. Hopefully they are sharing those experiences with you too! Kindergarteners are learning about symmetry in art. First graders are growing in their ability to read. Fourth graders are learning to multiply large numbers. I am so proud of all our learners are accomplishing!

**Fall Celebration October 31st:** We are excited to pilot a revised Fall Celebration for October 31st. To honor the diversity of our community and maintain learning, we are going to try something new. Please do NOT have your learner wear their costume to school. Instead, you may pick them up at noon to take them home and prepare them for our Fall Parade OR you may send their costume to school in a bag and we will help them get dressed. PLEASE DO NOT SEND TREATS OR FOOD. Please see the [attached](#) flyer for all the information.

**PTO Sponsored Urban Air Outing:** PTO is sponsoring an evening outing at Urban Air Night on **October 16th**. Flyers will also be distributed to learners as well.

Mark your calendars to bring your child to trick or treat at the American Legion Hall! A time will be shared in the near future!
