Principal's Message:

Hello Hutton Families and Happy New Year!!!

I'm very proud of our Hutton students! They have worked extremely hard over the past few months to adapt to school in a new way. Last night our board provided an update regarding the phasing in of more grades. As, I've always stated before, we are here to work together to ensure a smooth and safe transition. Please be sure to check the district website for updates for upcoming parent webinars and important information about the phase in process. Thank you for your continued partnership and support. Please reach out to me if you have any questions or concerns as we move forward. I'm honored and so proud to be a Hutton Hawk and am grateful for our wonderful community!

A Heart for Hutton,

LaTonya Simmons

COVID-19 Safety Reminders:

Parents, as you walk students to and from school, please be mindful of social distancing and cloth face coverings. Remember, little eyes are watching, and you are the best role models for your children. Thank you for keeping everyone safe!

We need spare clothes! If you have clothing your child has grown out of, sizes 5 up, please consider donating to our office. Items like pants, shirts, sweatshirts, socks and hats and mittens are great to have on hand in case students have accidents or get wet at recess.
