AUGUST 15, 2023

Bryan ISD

Attendance Message

Dear Bryan ISD Families,

The 2023-2024 school year in Bryan ISD is off to a great start! I wanted to reiterate the student attendance campaign that is a district and campus focus this school year.

For students to be successful in school, they MUST be in school. Students who miss more than 10% (18 days or more) of school in elementary often are not reading on level by grade 3. Those students then struggle to achieve in middle school and graduate from high school. When a student has a high number of absences, they become academically at risk.

Therefore, we need your help in ensuring your child is coming to school every day! While we know it is unrealistic to expect perfect attendance, we believe that setting attendance goals will help students be present in class. Bryan ISD's attendance campaign will focus on students missing 9 or less days of school. If a student misses 0-3 days of school, they will be classified as having **exemplary** attendance!

What can you expect?

Unfortunately there has been a shipping delay, but every parent will receive a school calendar magnet with an attendance tracker from their school as soon as possible. I hope that you will use this tracker to monitor and mark off your student's absences throughout the year. Every school will be planning attendance incentives and celebrations.

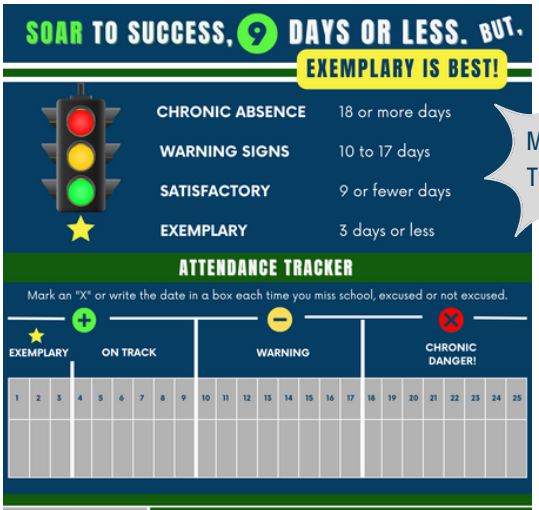

We want every student in Bryan ISD to reach their academic goals and be prepared for high school graduation when that time comes. Please help us in making school attendance a priority in your home. We look forward to partnering with you and having a year of academic successes and great learning experiences!

Sincerely,

Ginger Carrabine

Ginger Carrabine, Superintendent
