

Round Rock Learning Community High School

Student Item Pick / Drop-off Plan

Expectations

- We LOVE our Dragons and truly want to see every one of you. However, to ensure we can accommodate item pick-up and drop-off in a timely manner, only students who need to pick up essential items will be allowed in the buildings. We ask that you wait until school resumes in August to collect any non-essential items.
- When students enter the building, they will need to have a face covering (not provided).
- As students enter the building, they will need to use hand sanitizer (provided).
- **Only students may enter the building** (parents please stay in your car). Teachers and staff will be in the building to assist students with whatever they need and to monitor the number of students in any area. In addition, we will ensure that all students maintain a safe distance from each other while in the building. The students will not be able to have contact with the staff (no hugs or high 5's at this time). All staff will have face coverings and gloves on at all times.
- Please do not arrive before 9 am. This is a come-and-go event so that we can stagger the number of students in the building.
- As students leave a building, they will be required to use hand sanitizer.
- We are excited about getting a chance to see you, but we need everyone to leave the property as you finish.

Schedule for Drop Off and Pickup of personal items
