

Attention: Freshmen & New Students, and Families of Freshmen & New Students

Please join us on **Thursday, August 1** for our **New Student and Family Orientation Welcome Event**. This event is open to Freshmen and Students New to Mountain View, and to their families. Students and Families do **not** need to register for this event. We have two unique schedules for the day; a *Student Schedule* and a *Parent and Guardian Schedule*.

Student Schedule

Students will take an informative tour, hear helpful tips from fellow students, and have an opportunity to walk their schedules. **(Students should bring a copy or photo of their class schedule so that they can use it during the day to walk their schedule.)** Student tours begin at 8:30 and run continuously, with the last tour **starting** at 9:00. All tours will end with time remaining before the *Welcome Meeting*. Before or after the tour, students are welcome to walk their schedule, walk the campus freely, or stay cool in the cafeteria until the *Welcome Meeting* begins. Families may meet and speak with administrators and counselors. At this very same time, our Band and Cheer Teams will be performing and welcoming our new students and families.
