Cougar Families-

On Friday of this week, our students will have fall pictures taken. These pictures will be used as our Kerr Yearbook pictures. Students may wear a shirt that meets high school dress code, but all bottoms must be Kerr standard dress code. If your student has any questions about dress code, have them check with an AP before Friday.

All of our home football games will be played at Centennial HS this year as construction wraps up on our field and athletic facilities. All games at CHS will begin at 6pm. All games at other schools will begin at 5pm. Thanks for your flexibility this year. We are looking forward to the 2020 football season on our own field!

Mark your calendars... Monday, October 28th will be our Fall Family Engagement event from 6-8pm. There will be more information to follow. We know there will never be a night without some type of conflict with another BISD or non-school related activity, but we are hopeful this night will allow the majority of our families to attend if they choose.

Please review the Back to School information sent out by our counselors attached to this email. We have fantastic counselors who are here to support our students! Please reach out to them at any time if you have questions or would like them to address a concern. They are a great resource!

Have a great week!

-Kalee McMullen, Principal
