Cougar Families-

It sounds like a broken record, but the Kerr Color Guard competed in the NCTA Competition in Saginaw this past Saturday, and again, they took 1st place. That is three competitions and three first place finishes. Congratulations to this group of Kerr students for their success and how well they represent Kerr.

If you haven't noticed the past two weeks, there have been some changes at Kerr. Teachers have been taking extra time to make sure that we have opportunities to recognize our Kerr students. Some of the things that have been put in place highlight our AVID program, art program, teacher of the month as well as student of the month. We have also started a "Where Every Student Matters" highlight wall. We are so proud of our students and teachers and want to recognize as many of them as possible. The shadow boxes represent student photography, super hero masks, and art-work.

This week we have cheer clinic all week culminating in cheer tryouts on Friday afternoon. Tennis will play Cleburne Smith on Wednesday, and the canceled Joshua track meet will be made up on Thursday this week. The Human Hungry Hippo is back, and students are encouraged to support this worthy cause. It will be held in the Pit at 3:10 on Friday. Spring Break is just around the corner.

Let's have a great week!
