Security

American Family Field has the same security protocols for all events from Brewers games to All City Strings. Each person will be asked to go through a metal detector as well as limit the items brought into the stadium. Avoid large bags/purses and pack small. For a detailed list and more information regarding security procedures, [CLICK HERE](#).

Post Concert Treats

We've partnered with YoMama in the Tosa Village as a way to celebrate the wonderful accomplishments of our students. Mention "Wauwatosa Orchestra" and YoMama will donate a generous amount of your sale back to the district orchestra program.

Frequently Asked Questions

What should my student bring to the concert?

All students should wear their string festival shirt (to be provided), shorts/pants/skirt (weather dependent), a folding music stand, instrument, and music. In some cases, middle and high school students can share between their stand partners. Cellos and bases should bring an end pin strap. It is also a GREAT idea to write your name on your music stand.

Where will we be playing?

Students will take turns playing on their warning track dirt with their peers. As a special treat, all students will combine at the end of the concert for a true all city string orchestra. Planning the best viewing area? In general, violins will be on the third base side, violas/cellos/basses will be on the first base side.

Where are cases being stored?

All cases are stored near the third base student entrance (see map) and can remain in this location for the duration of the performance.

Where will my student sit while waiting to play?

Students will sit with their peers while waiting to perform. Elementary students will sit by school in sections 124 and 125. High School students will sit in sections 125 and 126, and middle school students will sit in section 111 (first base side).

Where can I meet my student musician after the performance?

American Family Field recommends that all families meet their musicians outside the ballpark. Your orchestra teachers will let each of their schools know their locations. You are also welcome to coordinate with your student musicians where you'd prefer to meet after the concert. If the weather is not in our favor on May 6th, locations will be shifted to inside (and displayed on the outfield screen).

Can I take pictures?

Yes, Please do! And share them with your child's orchestra teacher, the school district, and your social media accounts. This is a tremendous event that deserves to be shared! Non-performers will not be allowed on the field, however, there are many places to take great photos of your child with their instrument and the ballpark in the background.

Will there be concessions?

No. We will not have concessions available at this event. There are plenty of amazing places close by that would love to host you and your family for a post-concert celebration. You are able to bring in smaller items, such as sealed beverages. Please review the Brewers security procedures [HERE](#).
