TUCSON UNIFIED  
SCHOOL DISTRICT

## February 2022 Spotlight

### Free Adult Classes

*Due to the recent surge in COVID cases in our district, the Family Resource Centers have moved all current and future classes to an online format. Classes will now be offered via zoom. If you have questions or need further information, please reach out to your nearest center.*

The Family Resource Centers (FRCs) are pleased to provide free adult classes! Adult family members and caretakers of students registered at a TUSD school may attend any course offered at the FRCs at no cost. Courses focus on topics to strengthen family engagement and student success. Mental health, parenting skills, substance abuse, finances, college preparation, diet & nutrition, GED, and English are just some of the many subjects we cover.

Attending a class is easy; visit our website and look at the schedule of classes. Each course has a description, date, time, location, and the number of sessions. You may call the FRC and sign up or register online, depending on the course offerings. Some classes are available on a drop-in basis. A

### Family Engagement at TUSD Schools!

#### Encuentro: Pueblo High School

The Social Studies Department at Pueblo High School sponsored an Encuentro event for their Culturally Relevant class. The Encuentro was an opportunity for students to come together with teachers, families, and the Pueblo community. Students shared what they had learned in their culturally relevant class with attendees, and they were able to gain insight into other cultures. The 250 families in attendance enjoyed live mariachi music and Folklorico performances.

Mexican American Student Services, TUSD Family Resources, Upward Bound, TRIO, CCLC, Entre Mujeres, and many more vendors were present. Thank you to Bolita Bakery, Calle Coffee, Lady Umbrella, and Viri Viri Bomb Bomb for offering food and drinks. What a great way to promote family engagement at Pueblo High School!
