SAY SOMETHING!

Next week, we will celebrate Say Something Week. Started by Sandy Hook Promise, it's a week to encourage upstanders to speak up. Celebrate with us! Have conversations with your children about the importance of speaking up for others or stepping in when someone needs help. We have spent our school year with the theme of #SaySomething, emphasizing that every voice matters. We'll be sure to share some of our activities on our Facebook page.

Smaller Class Sizes= More Interaction

Less students in each class means that teachers and students have more opportunity to engage. Teachers of smaller classes can more easily tailor instruction to meet the needs of students.

A .50 cent per day investment* will allow the district to reduce class sizes, provide more individualized learning opportunities, and will help to recruit and retain great teachers.
