

How to create a Student Portal Account

Please log into this website:

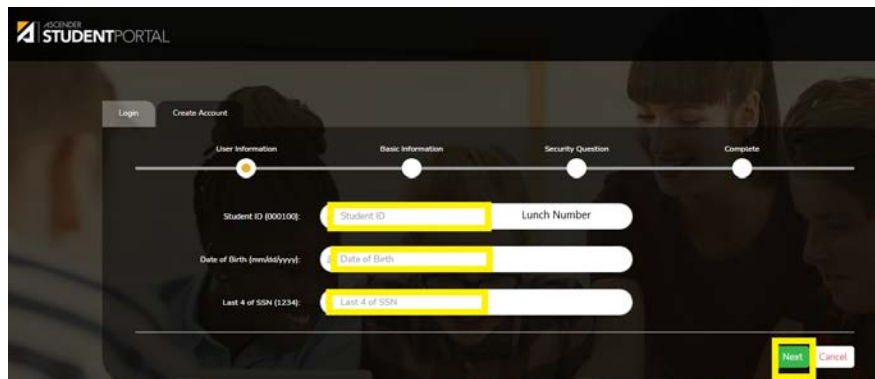

<https://ascender-prtl08.esc11.net/StudentPortal/login?distid=184907>

You can also log in using the AledoISD app, which you can download in your App store.

You will need to create an account if you have never used Student Portal in the past, so click on Create Account located on the top tab.

Next you will need your Student ID (same as your lunch number), your birthdate and the last 4 of your Social Security number. If you did not provide your Social Security number to the school at the time you registered, then you will need to contact the school for your “S number last 4”. Once those three fields are entered select Next to move on to the next step.

Now create a Username and Password, please choose something that you will remember, office staff does not have a way to recover lost or forgotten usernames or passwords. When done, click next.

The screenshot shows the 'Create Account' page with a progress bar at the top. The first step, 'User Information', is active. Below the progress bar are three input fields: 'User Name', 'Password', and 'Password Verification'. Each field has a yellow highlight box around it. At the bottom right, there are three buttons: 'Back', 'Next', and 'Cancel'. The 'Next' button is highlighted in yellow.

Next it will ask for 3 security questions, which will be asked if you do need your password reset sometime in the future. You can change the questions by clicking the dropdown menu. Each question requires a response and the response is CASE SENSITIVE like a password is.

The screenshot shows the 'Create Account' page with the progress bar now on the 'Security Question' step. Below the progress bar, there is a prompt: 'Provide answers to three different questions. The information will assist you in resetting your password.' There are three question-answer pairs. Each question has a dropdown menu for selection and an input field for the answer. The questions are: 'In what city were you born?', 'What is your favorite NFL team?', and 'What was your mother's maiden name?'. The answers are labeled 'Answer 1', 'Answer 2', and 'Answer 3'. Each question and answer field has a yellow highlight box. At the bottom right, there are three buttons: 'Back', 'Next', and 'Cancel'. The 'Next' button is highlighted in yellow.

Select Next when done.

Lastly, you will select Finish and your Student Portal account has been created!

The screenshot shows the 'Create Account' page with the progress bar now on the 'Complete' step. The text in the center reads: 'Your ASCENDER StudentPortal account has been created.' At the bottom right, there is a single button labeled 'Finish', which is highlighted in yellow.
