COLLEGE ADVISING INFO

Important info for Juniors & Junior Families

Please remember: Juniors can have a maximum of two meetings during the 2018-2019 school year. We highly recommend that we meet individually with students, before the family meeting. Student meetings and family meetings should not be scheduled on the same day. Please also note that we WILL NOT MEET with any juniors (even if you have a meeting scheduled) if BOTH of your junior student and junior parent questionnaires are not completed by 8:00 am the morning of your meeting. Your meeting will be cancelled and you will be responsible for rescheduling a new appointment. BOTH of your questionnaires will still need to be completed by 8:00 am the day of your new appointment time. (How to access the questionnaire is attached)

Students and Parents, to schedule a meeting please see below:

Counselor Chats were developed as an opportunity for parents/guardians to have an opportunity to meet informally with the College Advising team to discuss the college readiness process. The goal is for parents/guardians to be connected throughout the process. Parents/Guardians get an opportunity to learn about policies and protocols, trends, upcoming events/deadlines, and share experiences as they get their scholar to the finish line and/or the starting gate for college).

2019 Annual Parent Involvement Survey for Georgia Families

Raising a Student with a Disability

Georgia Department of Education, (GaDOE)

Division for Special Education

In Partnership With

Parent to Parent of Georgia (P2P)

Please complete the online survey to make your voice heard.

Why are you being asked to complete a Statewide Survey?

In order for *all* students to graduate prepared to achieve a lifetime of success, families need to be an important part of the school team. It is critical that the GaDOE assist local school systems in partnering with families to raise the achievement rate for students with disabilities. Completing this survey will assist in achieving this goal.

Who is being surveyed?

The GaDOE is surveying parents of students with disabilities throughout Georgia.

What will be done with the information collected?

GaDOE Division of Special Education will work collaboratively with Parent to Parent of Georgia (P2P), the statewide Parent Training Information Center, to identify needs in family involvement within the state and local districts based on statewide survey results.

Who will see your answers?

Individual answers are kept confidential. The GaDOE has contracted with evaluators at the Georgia Center for Assessment (GCA) to guarantee confidentiality. Each response will be coded by a number – not a name.

How do you complete the survey?

You may complete the survey online in English and Spanish at www.gadoe.org/Parent-Survey or www.p2pga.org or www.parentmentors.org.

If you do not have access to take the online survey, please contact your child's school for a "paper" copy of the survey.

Why do you want to know my child's ethnicity & disability?

Geographic area, ethnicity, and disability group data is collected to ensure the results are valid and reflect the overall demographics of the state. Be sure to indicate ethnicity as requested.

Who do you contact for help with completing the survey?

Parent to Parent of Georgia at 800-229-2038 / www.p2pga.org.

Special Education Help Desk at 404-657-9968

You may also call your local school system's Parent Mentor.
