

Wredling Middle School and PapaNicholas Coffee are partnering in this successful fundraiser. Located in Naperville, PapaNicholas has a commitment to supporting their community. Wredling PTO has been supporting St. Charles public school's academic, sport and music programs for over 20 years with fundraising being key in this support. This year we are offering a selection of Papanicholas coffees, Numi teas and hot cocoa. Please ask your family, co-workers and friends to support us. Remember to sell to your out of town family and friends, as the products are easy to mail or deliver as you visit during the holidays. Beginning November 1st, please visit the PTO website for more details at [www.wredlingpto.org](http://www.wredlingpto.org).
