Cougar Families-

This week we will be administering our Beginning of Year Measure of Academic Progress (MAP) Test on Monday and Tuesday. Please send your student to school with their Chromebook fully charged *and* send the charger. If your student does not have a Chromebook, a loaner will be provided as this test is only available by computer.

Mr. Neal (CHS Principal) and Mr. Leek (BHS Principal) asked us to pass the following information on to our students and parents this week:

*Students are welcome and encouraged to attend all events and support CHS and BHS! Please be sure your student adheres to the following expectations:*

1. *Students must possess school ID (once it has been issued) and identify themselves by name and school/grade to BHS/CHS administration working the events if asked to do so.*
2. *Students are expected to be in the bleachers unless they are moving to and from the concession stand and/or restrooms. No throwing, running or chasing.*
3. *Students are expected to behave in a way that is a positive reflection on BISD and their middle school. Appropriate language is expected at all times.*

*Not following these expectations may result in a consequence that may include removal from events and/or notification of the middle school administration.*

We will announce these expectations during PRIDE this week as well. Thanks for your support!

Have a great week!

-Kalee McMullen, Principal

## Spotlight on Excellence

The SSEP Mission 12 finalist team was recognized at the BISD School Board Meeting for presenting their experiment proposal at the Smithsonian National Air and Space Museum

in Washington, D.C. We are so proud of our REALM students and their amazing accomplishments!

### Safety Reminders:

Please remind your students to cross the streets at crosswalks or stop signs. We have students who are darting across streets at places that are not intersections or safe to cross. Just a friendly reminder— It is against the law to be on your cell phone or smoke (including e-cigarettes) on school property.

**Thanks for helping us keep all students safe!**
