## **Class of 2023**

### **Prom, Graduation and Year-End Information**

**Community Service** is a graduation requirement that must be completed by **Wednesday, May 31st**. Due to exemptions made in their freshmen and sophomore years, members of the Class of 2023 must complete 8 hours of community service in total. A list of students who have **completed** their community service will be posted in the cafeteria on May 1<sup>st</sup>. This will give an opportunity for students who still require hours to find opportunities throughout the month of May. Students who have not completed the total hours by May 31<sup>st</sup> cannot purchase a prom bid or walk at graduation. Blank community service cards are available in guidance. Please note that community service is handled through guidance. The Silver Cord Program, however, is handled by Mr. Garcia, and all applications should be returned to him by June 1<sup>st</sup>. Applications for the Silver Cord are available in the Curriculum Guide and in the Main Office.

**The Senior Summary Survey** will be available online in the "About Me" tab in Naviance starting on May 1<sup>st</sup>. Please write clearly and in full sentences as what you write will become part of a keepsake that you take home after graduation. This must be completed before May 19<sup>th</sup>, or you will not be able to purchase a Prom Ticket or Cap and Gown.
