January 20, 2021

Dear Pollock Pines Families,

For this school year, there is some flexibility for districts to provide instruction in a variety of ways. As you know, our current Mondays are Asynchronous learning days where the kids do not come to school, but the day is counted as a school day. In light of the weather forecast for next week, there is a possibility of having to call a snow day. For the remainder of this school year; we will be designating any future snow days or Public Safety Power Shutoff (PSPS) days as Asynchronous days. Work will be provided for your children during these days. Should we need to call a snow day or a PSPS day, you will be notified in the normal fashion with a reminder that the day is an Asynchronous-learning day.

Sincerely,

Pat Atkins
Superintendent
