

**Don't let time
run out.**

The Shot Clock Countdown has Started

Parents of 7th graders and 12th graders, additional vaccinations are required to enroll your student(s) for the 2022-2023 school year or risk exclusion.

North Carolina Immunization Laws Now Require

7th Graders

- ✓ diphtheria, and pertussis (Tdap) booster
- ✓ one dose of Meningococcal Conjugate Vaccine (MCV)

12th Graders

- ✓ Meningococcal Conjugate Vaccine (MCV) booster

Any student entering North Carolina public schools for the **first time must also provide documentation** of a Health Assessment Transmittal form.

Proof of immunizations and the Health Assessment Transmittal form must be provided to your child's school within **30 calendar days of attendance to avoid suspension.**
