

Community Vitality Director

The City of Guttenberg is seeking a Community Vitality Director. We seek an experienced and creative director to provide energy and initiative to the City's strategic vision and develop a strategic plan to execute the vision. The director will execute operational leadership within the network of business and civic leaders with the goals of growing business to create a more diversified sustainable economy increasing employment, the tax base and attracting and retaining families to our area.

The ideal candidate will have demonstrated experience and skills in business and community development activities, team building, innovative problem solving, communication skills, and relationship development across a wide range of interest groups.

The Community Vitality Director oversees the management and operations of community development programs and initiatives within the City; and is responsible for establishing relationships with and among our community development partners.

Bachelor's degree from an accredited college or university required with coursework in business administration, community development, marketing, public administration, finance, business consulting, community development, planning or public administration, preferred and extensive experience in private or public community development organizations, real estate, public finance, project management, operations, or equivalent combination of education and experience. Salary DOQ.

For more information please call 563-252-1161. Applications can be dropped off or sent to: City of Guttenberg, Attn: City Manager, 502 S. First St., P.O. Box 580, Guttenberg, IA 52052. Email: gbergcty@alpinecom.net. Applications will be accepted until the position is filled. EOE
