

POSITION AVAILABLE

The Bancroft Municipal Utility and the City of Bancroft are currently looking to fill the position of Utility Line Worker. The utility is seeking an experienced individual to work on electric lines, both overhead and underground systems. Three or more years experience working with high voltage lines and large scale generators is preferred. Some of the duties include:

- Day to day operation and maintenance of utility electrical distribution system
- Operation of diesel generators as needed
- Working with staff to maintain a continuous, up to date inventory of all goods and supplies
- Assist with all record keeping relating to municipal utilities operations
- Assist with the completion of all regular reports including those required by state and federal agencies, NIMECA, the city council, and others as needed
- Other duties as assigned

The job consists of a 40 hour work week, Monday through Friday; however, during systems disturbances and emergencies, longer hours may be required. Applicant must be willing to accept a scheduled "on call" basis during weeknight and weekend time, generally every other weekend, and have the ability to exercise tact and diplomacy in public contacts. The applicant must reside in the city limits of Bancroft or other location as approved by the city council. The successful candidate will have completed a formal technical training program for utility line workers, graduated from an accredited high school or vocational school, or possess any equivalent combination of training and experience which provides the required knowledge, skills, and abilities.

Desired qualifications for this position include:

- A minimum of 3 years experience as a utility line worker. Journeyman preferred.
- Preference will be given with experience in electric generation. If the successful candidate lacks any of these credentials, it is expected he or she will secure these qualifications within a reasonable time frame agreed upon at the time of hire.
- At minimum, a class B commercial driver's license with air brake endorsement or the ability to obtain such.
